

Teen  
Take Away  
Kits

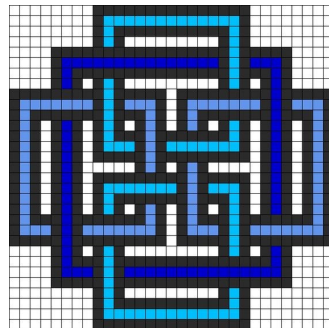

## ***Low-Tech Pixel Art***

In this kit you will find:

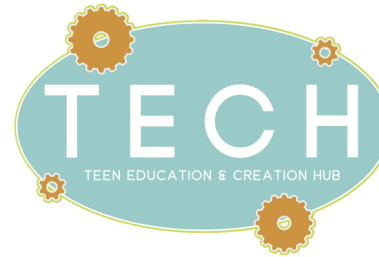

- Graph paper
- 1/2" squares of paper (various colors)
- Colored pencils
- Pixel art examples
- Glue stick

*\*You may need scissors or tape*

Create your own designs or use the examples on the other side of this page! Be sure to count how many squares you will need before starting! You may need to use multiple pieces of paper. Glue the colored paper squares in place or use the colored pencils to color!

*Billings Public Library does not own the rights to any of the images shown.  
They are used for educational purposes only.*
